

# Ahmedabad: Click Diwali pop-up, trigger fraud bomb

AHMEDABAD: A businessman from the Satellite area of the city was browsing through management ideas when a pop-up on his screen presented an attractive mutual funds offering.

He clicked the pop-up, unwittingly giving hackers access to his phone. In eight transactions, cybercrooks stole Rs 49,900 from him.

A BBA student from Ahmedabad was watching videos on a website when a pop-up laid out the prospect of meeting beautiful girls in his neighbourhood. He clicked and lost Rs 15,000 to scammers.

The pop-up traps are ensnaring a growing number of people. So the cops and the state cyber cell, which comes under the CID (crime), have

issued an advisory warning people about the risks of careless clicking.

Apart from taking your money, cybercrooks may hack into your device and snoop into your personal life.

The advisory, issued on Saturday by the state cyber cell, said: "Be cautious [about] phishing pop-up advertisements in apps. Do not download any apps with such pop-ups." The advisory added: "Your personal content or videos can be made viral on social media."

Police said several apps give free passage to the cybercrooks into people's devices. The pop-up is a common gateway into your devices.

Even if a person inadvertently clicks on such pop-ups or links, cybercrooks can swiftly get access to the person's device and obtain crucial information, said a cop from the cyber cell.

Sometimes, the cop said, the cybercrooks also get access to a phone's video camera and record personal activities and spy on the target. Thus, the cybercrooks can extort money with the threat of leaking personal information.

Ahmedabad : Burglars stole Rs 31.31 lakh cash from an automated teller machine (ATM) of State Bank of India in Vadod of Pandesara during early hours on Friday. After

stealing cash, the burglars torched the machine and the ATM booth. Along with the ATM, fixture, AC and CCTV cameras were destroyed in the fire, police said. Police were informed about the theft at around 8am. The theft is suspected to have been carried out between 12 midnight to 4 am. The ATM was cut open using a gas cutter. There was no security guard employed at the ATM and none in the area came to know about the incident till the personnel of the agency managing the ATM went to check it. Following doubt of suspicious activities, those related to the fire alerted their local official. As the officials went to check they found the ATM booth engulfed in fire. Bhupendra Singh, an employee of the firm that maintains ATMs of SBI, lodged the complaint at the Pandesara police station. The ATM was installed in a shop of a commercial complex in Vadod.
